15th December 2023

## Nativity!

We are incredibly proud of all our children in Bumblebee class and Hedgehog class who performed their nativity this week. It was most definitely an Oscar winning performance with fantastic acting and beautiful singing! Well done children!

## Monday 18th Dec - Share Afternoon

Please come along and join your child/ren on Monday afternoon from 1.30 - 3pm for our Christmas share afternoon where we will be making Christmas crafts. Please can we ask for siblings / pre school children to stay at home as unfortunately we won't have the space to fit everyone in - thank you.

## Tuesday 19th Dec - Christmas Jumpers Carols Around the Tree

Your child/ren are most welcome to come into school on the last day in their Christmas jumper.

What is now becoming a tradition at Wortham Primary, we would like to welcome you to come and sing some Christmas songs and carols with us to end the term and to kick start the festive holiday! Please join us at 2.30pm

## Bumblebees

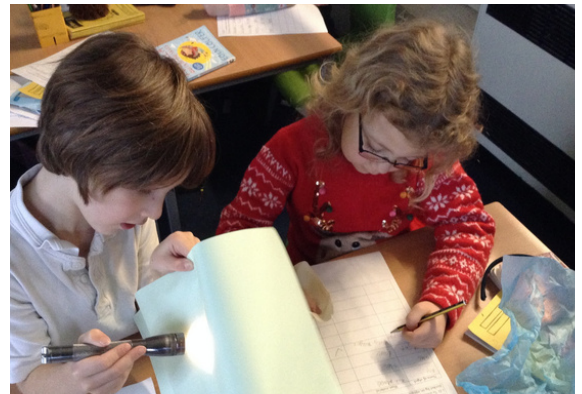

Bumblebee class have had a lovely week of activities that have included a welly walk to the Fairy Wood, writing and drawing Christmas cards and a final, festive Drama Tots session.

---

## Hedgehogs

This week Hedgehogs have finished writing their second book! This book has been a non chronological report based on a made up animal created by the children themselves. At the end of the week, they became Scientists and investigated making shadows.

---

## Barn Owls

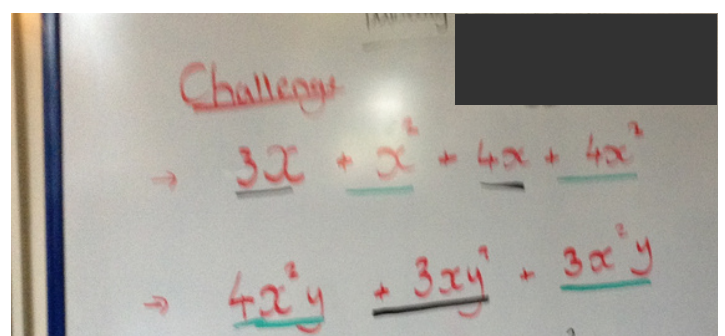

Barn Owls had their own performance this week where they performed their clarinets to the rest of the school. They have also had a special visitor who talked to them about the charity 'Caring for Life'.

---

## Otters

This week, as a part of their transition to Hartismere, Otter class had a maths lesson from a Year 7 maths teacher who gave them an introduction to algebra! Can you solve their maths challenge? Otters did and were amazing!
