17th November 2023

Anti Bullying Week

This year's theme for anti bullying week was 'make a noise about bullying,' and at Wortham Primary, we did just that! Over the week we had whole class assemblies where we saw for ourselves the difference between one person making a noise about bullying to the whole school making a noise! We have learnt the difference between banter and bullying and when banter is not okay. In our class assembly, we came together and made more noise about bullying by making posters, bunting, poems and 'bantometers'. I have been blown away by the children's response this week, with many children raising awareness by making posters in their own time. Well done Team Wortham!

Children in Need

Thank you to all our families for your support for Children in Need day. We enjoyed non-uniform day, with lots of children also wearing Pudsey ears. Bumblebee children headed outdoors to create a giant pudsey nature picture. The children had great fun and I am sure you will agree they did a fantastic job with this. The school day ended with a bake sale, which raised an amazing £116! A very big thank you to Yva Perkins for organising this and Vini Corbyn for your help too! In total we raised £177, well done everyone!

What's on next week?

Monday 20th November

Y6 - Hartismere Transition Day
