

Wortham Primary School Weekly Newsletter

22nd September 2023

Wonderful Week of Learning

It has been another week wonderful week full of exciting learning opportunities across the school. Children in Reception have continued to enjoy exploring the Forest School area and Year 1 have been learning how to use 'Purple Mash' to save and find their work! Hedgehogs are enjoying learning about the Romans and have been debating whether we should have resisted or accepted them... we certainly have some historians in the making! Barn Owls had a special delivery arrive from Sutton Hoo full of artefacts they could touch and explore. They have also learnt how to put their clarinets together! Otters have enjoyed their science this week and have been learning about light and how it reflects.

Baby News!

We are delighted to share with you the wonderful news that Mrs Banham and her husband welcomed their baby girl into the world last week. Mum and baby are doing very well and we are looking forward to meeting baby Amber.

Welcome to Wortham!

We are very pleased to welcome Miss Nolleth to Wortham Primary School. Miss Nolleth joins us from East SCITT and will be completing her teacher training at Wortham. Miss Nolleth will mostly be in Bumblebee class but will also spend time in each class during her placement.

Reading at Wortham!

We love reading at Wortham and regularly update our main school library and each class library with new reading books. We would really like to widen the range of reading materials we have to include children's magazines, comics, newspapers etc. If you have any comics or magazines that your child/ren may have finished reading, we would appreciate these to add into our libraries. Comics, magazines or specialist magazines for example National Geographic Little Kids/Kids would be fantastic. Thank you!

What's on next week?

Thursday 28th: Class Presentations

Come and meet your child's class teacher and find out about the teaching and learning happening this year.

Bumblebee Class: 2.15 - 2.25

Hedgehog Class: 2.30 - 2.40

Barn Owl Class: 2.45 - 2.55

Otter Class: 3 - 3.10
