26th April 2024

This Week at Worham...

Special Visitor for Bumblebee Class

Bumblebee class had a very special visit from Mr Ling who brought his tractor to the school for the children to look around and sit inside! The children also enjoyed looking and feeling the rape, wheat and barley seeds. The children thoroughly enjoyed sitting in the tractor cab and finding all about where our food comes from. Thank you Mr Ling for providing this wonderful experience for our children.

Well done!

A huge congratulations to Mrs Widdeson and her son for running and completing the London Marathon last week! So far, they have raised an incredible £2,422 for the amazing charity - Marie Curie. Mrs Widdeson is very grateful for all your support and generous donations.

If you haven't already and would like sponsor Mrs Widdeson, then please follow this link:
